

Winning with library leadership: enhancing services though with connection, contribution, and collaboration

Olson, Christi A., author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20436158&lokasi=lokal>

Abstrak

Under pressure to achieve more with less, libraries need to change how they achieve goals. In networked organizations, teamwork, communication, and collaboration are the keys to getting results. Yet, few leaders have role models or tools to implement such change.
