

25 Latino craft projects: celebrating culture in your library

Pavon, Ana-Elba, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20436163&lokasi=lokal>

Abstrak

These Latin American celebrations?rich in cultural significance and Latin history?present opportunities throughout the calendar year to reach out to all populations with engaging programs and activities. The easy-to-organize projects in this book are organized around important Latino holidays and are inspired by artesénias (Latino folk art) traditions that have been passed down from generation to generation. And, because each project is tied to literature, kids get the reading bug early!
