

Creating a winning online exhibition: a guide for libraries, archives, and museums

Kalfatovic, Martin R., author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20436246&lokasi=lokal>

Abstrak

It's no secret that well-executed exhibits in libraries and museums can make attendance numbers skyrocket. Dynamic exhibits not only provide information and entertainment for your existing customers, but they are also opportunities to reach out to new customers and to widen your market. A great exhibit can be the hook that brings people in the door for the first time.
