Abstrak

Guide to IC05, the new edition of Sarah Lupton's very successful Guide to IFC98, is a practical guide to the operation and administration of the JCT Intermediate Building Contract 2005. As well as covering the recent amendment to take account of the Construction (Design and Management) Regulations 2007, it points out the important new changes to the contract compared to the old 1998 version and reflects on up-to-date legal cases which serve as valuable lessons for the unwary.
