

Hwang Byungki : traditional music and the contemporary composer in the Republic of Korea

Killick, Andrew

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20436580&lokasi=lokal>

Abstrak

Summary:

This is the first book-length study, in English, of an Asian composer who writes primarily for traditional instruments. Following a thematic approach, Killick draws on over 20 years of personal acquaintanceship and study with Hwang Byungki, as well as experience in playing his music.
