Synopsis

This is a fascinating collection of articles on North Korea by top-notch native South Korean specialists. Balanced, penetrating, and empirically rich analyses. The book is a must read for those who are interested in contemporary North Korea. -- Chung-in Moon, Yonsei University This book should be read by Korea-concerned scholars, policy makers, media commentators, and the public throughout the world-especially in the United States, Japan, China, Russia, and in both parts of divided Korea. -- Glenn D. Paige, chair, Center for Global Nonkilling For Americans who want to go beyond the headlines to deepen their understanding of North Korea, this accessible and informative book by knowledgeable South Korean specialists is an excellent starting point. -- Leon V. Sigal, director, Northeast Asia Cooperative Security Project, SSRC
