

Warisan komunikasi budaya kuno : relevankah bagi generasi kini?

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20437335&lokasi=lokal>

Abstrak

Since long time years ago our ancient has hight cultural communication values who has describe in the old lontar or papirus books, the destination to teach one generation to generation. Beyond my expectations, this article communication an has enjoyed a very hearty and warm receipt from both old and modern generations in Indonesia. Several friends among modern families, who are toadhere the old teach faith, have given up their intention, and remain modern men.
