

Komunikasi Islam qurban dan pensyari'atannya

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20437398&lokasi=lokal>

Abstrak

Generally speaking, communication can be defined as an effort to influence, invite and transfer through ideology, knowledge and acts to others so that they want to observe our thought, ideology, knowledge or acts. Meanwhile, communication of Islam is to invite or to transfer or to implement Islamic ideas or to persuade others to give up what is forbidden by God and to what is commanded by Him.
