

Reaching out, reaching in : two examples of public education

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20437765&lokasi=lokal>

Abstrak

Thirty-five years after former American psychological association (APA) President George A. Miller (1969) exhorted psychologists to "give psychology away", then current APA president Ronald F. Levant (2005) encouraged us to "make psychology a household word"
