

University involvement in public policy deliberation: An example

Chandler; Susan M, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20437847&lokasi=lokal>

Abstrak

Recently, there has been a significant growth in the number of public policy centers on academic campuses across the country, but questions have emerged about how successful the academics, researchers, and professionals in those institutions are influencing public policy and improving policymakers deliberations.
