

Operation excellence: succeeding in business and life--the U.S. Military way

Bender, Mark, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20438378&lokasi=lokal>

Abstrak

"Operation Excellence" shows readers how to harness the same strategies used to great effect by the Army, Air Force, Navy, and Marines in their own personal and professional lives. Using action-packed examples to deliver the message behind each lesson, the book reveals how a combination of discipline, confidence, and sacrifice can help anyone achieve superior results in leadership, teamwork, tactics, health, wealth, relationships and much more.
