Abstrak

One of the world's top business consultants and personal success experts, Brian Tracy has devoted 25 years to studying and compiling the best time management practices ever discovered. In Time Power, he reveals a comprehensive, step-by-step system for readers who want to take control of their time and use it to maximize results both at work and in their personal life. People from all walks of life have used this proven system to double or triple their productivity, not to mention increasing their income by as much as 1,000 percent-sometimes in just a few days or weeks.
