"If you're going through the process of buying a home, chances are there are questions you desperately need answers to -- right away! Luckily, The Home Buyer's Question and Answer Book gives you all the crucial information you need, in an easy-to-flip-to format you can easily consult on the run. Featuring more than 150 questions, as well as sample loan applications and other valuable resources, the book provides simple answers to fundamental (yet often daunting) questions such as: * How do I start the homebuying process? * What if I have blemishes on my credit report? * What are the different types of real estate agents and how much do they charge? * How can I ensure an accurate, productive home inspection? * What can I do to ensure a smooth closing? Taking you through the entire process, all the way from the decision to buy to post-sale responsibilities, The Home Buyer's Question and Answer Book is an essential guidebook no first-time home buyer should be without."
