

Accounting demystified

Haber, Jeffry R., author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20438628&lokasi=lokal>

Abstrak

For new students of accounting, entry-level accounting professionals, and business professionals whose own work relates directly to the numbers on the ledger, a basic understanding of core accounting functions and documents is critical. Accounting Demystified provides a simple and straightforward description of universal elements of the accounting process, plus accessible tutorials in creating, interpreting, and using financial statements. Haber's clear language will let readers: * understand accounting basics * find errors quickly * prepare accurate financial statements * analyze financial documents * determine the financial health of a business * prepare a financial prospectus for potential investors and lenders From the classroom to the back room to the board room, Accounting Demystified serves as a valuable primer on the basics of accounting and the purposes they serve."
