

New employee orientation: career planning and talent management

Westwood, Roberta, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20438785&lokasi=lokal>

Abstrak

An effective new employee orientation program can mean the difference between a happy and committed employee and a disgruntled and non-productive employee. This Infoline will show you how to get the most value out of new employee orientation training. It guides you through the process of designing and redesigning your organizations new employee training program so that it immerses employees in the organizations culture. Youll also learn how to select the best blend of delivery methods for success and how to align orientation with your organizations culture.
