

Using job aids

Boyd, Susan, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20438813&lokasi=lokal>

Abstrak

Job aids reduce the amount of information the performer must recall or retain in order to successfully carry out a task and are usually employed to increase the likelihood of high fidelity performance. What are the advantages of job aids? Job aids have many advantages and benefits, which should be considered as part of your training and documentation efforts.
