

Judicial review dan perkembangannya di Indonesia

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20438899&lokasi=lokal>

Abstrak

Distinctly the 1945 Constitution has given authority to perform judicial power to the "Supreme Court", that is the authority to perform judiciary. The authority to perform judiciary in concrete reality, means expressing what the law is for the case presented to him. Reviewing (testing) the law in principle is also an action for expressing its law, because this action means determining whether a law is contradictory to the Constitution or not
