Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20439372&lokasi=lokal>

Abstrak

The amendment of UUD 1945 has created MPR as an independent chamber. As a result, the structure of Indonesian parliament is considered as tricameral. Nevertheless, with its own chamber in one side and authority that apparently could not be continuously exercised on the other side, the position of MPR has to be re-analysed.
