

Good practice guide: keeping out of trouble

Luder, Owen, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20439891&lokasi=lokal>

Abstrak

Highlights the areas where things consistently go wrong listing common mistakes that can usually be avoided. Many of these mistakes may appear obvious but are consistently made and are at the heart of many disputes such as those concerning 'negligence' and 'breach of contract claims' against architects.
