

Learning from place 1: the academy of urbanism

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20439911&lokasi=lokal>

Abstrak

Positive and enduring place-making is important to all of us. If, as Sir Patrick Geddes asserted, 'a city is more than a place in space...it is a drama in time', then we need to appreciate that urbanism is more than design and buildings, and create a long-term template to nurture and interact with the drama.
