

Fundamentals of children`s services

Sullivan, Michael, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20440192&lokasi=lokal>

Abstrak

With more than one-third of library users under the age of 12, it may be said that children's services drive public libraries. Still, many administrators don't fully appreciate how integral these services are to their institutions.

Sullivan conducts a friendly tour in this comprehensive reference, covering both innovative and standard practices in children's services.
