

Through the legislation maze: health & safety

Lupton, Sarah, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20440323&lokasi=lokal>

Abstrak

This guide looks at health and safety in relation to design and construction, focusing primarily on health and safety in the workplace. The primary statutory instrument with respect to health and safety in the workplace is the health and safety at work act etc.
