

High impact management: solutions for today's busy public sector managers

Haneberg, Lisa, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20441062&lokasi=lokal>

Abstrak

Whether you're a middle manager or a human resources or training professional who can help them, this book shows how to become a "high-impact" middle manager who can make substantial quantitative and qualitative contributions to the organization without that frenzied hamster-on-a-wheel work style. This sister book to The High Impact Middle Manager is designed to address the unique needs of public sector managers.
