

Lead with your customer: transform culture and brand into world-class excellence

Jones, Mark David, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20441064&lokasi=lokal>

Abstrak

Based on years of extensive experience working with Disney and other leading Fortune 500 companies, Jones and Kober present the World Class Excellence Model, a groundbreaking new operational model that enables organizations to achieve sustainable results by creating a culture of excellence for internal customers (employees) while building brand with highly satisfied, loyal external customers.
