

Managing across generations

Rowe, Kim A., author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20441066&lokasi=lokal>

Abstrak

In this issue, you will learn about how the four generations differ in the ways they prefer to be managed, and you will take away some practical tips for enhancing the success of your team by tailoring your management approach to the needs of different age groups. You will learn management preferences of the four generations in the workplace; tips and techniques for motivating members of each generation; and strategies for integrating multiple generations into a productive team.
