ABSTRACT

In a Tokyo suburb a young man named Toru Okada searches for his wife's missing cat. Soon he finds himself looking for his wife as well in a netherworld that lies beneath the placid surface of Tokyo. As these searches intersect, Okada encounters a bizarre group of allies and antagonists: a psychic prostitute; a malevolent yet mediagenic politician; a cheerfully morbid sixteen-year-old-girl; and an aging war veteran who has been permanently changed by the hideous things he witnessed during Japan's forgotten campaign in Manchuria.
