

Strategic planning training

Russell, Jeffrey, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20441254&lokasi=lokal>

Abstrak

Enable participants to take charge of their own initiatives by streamlining the strategic planning process. With Strategic Planning Training, you will help learners navigate the complexities of the strategic planning process. Interactive and customizable learning modules provide a roadmap for directing the right framework, culture, and philosophy for a strategy-focused led organization.
