

Use public tools for career success: career planning & talent management

Kaleba, Kermit, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20441256&lokasi=lokal>

Abstrak

This issue unlocks the keys to finding and accessing public sector tools and grants that help training practitioners further their experience and skills. Included in this issue as well are tips on how to find and obtain money-saving grants as well as how to use tax-relief methods for professional development opportunities.
