

Career contentment: don't settle for anything less!

Garton, Jeffrey, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20441343&lokasi=lokal>

Abstrak

Shows you how a shift in your own attitude can attract not just the right job for your background and/or work history, but also attract work that will be meaningful to you as well. This book features the premise: meaningful work is available to anyone willing to adopt the right mindset and attitude.
