

First in thirst: how Gatorade turned the science of sweat into a cultural phenomenon

Rovell, Darren, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20441700&lokasi=lokal>

Abstrak

What began in 1965 as the after-hours project of four University of Florida doctors, Gatorade has grown into an internationally renowned brand that today comprises 80 percent of the U.S. sports drink market it created.
