

Lead the green evolution: organization development

Holt, Katherine, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20441850&lokasi=lokal>

Abstrak

Green initiatives are taking on more significance in organizations. This Infoline is for trainers and educators who are looking to learn about going green. Readers will learn how to identify opportunities to make their organizations greener, as well as how to engage others and gain support for new initiatives.
