

Engage your brain for learning: training basics

Lucas, Bob, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20441871&lokasi=lokal>

Abstrak

Brain-based learning allows trainers and educators to promote long-term retention in learners and create a fun, interactive atmosphere. Brain-based learning uses our knowledge of how the brain processes and stores information to create more effective learning programs. This Infoline introduces readers to the concept of brain-based learning and provides tips for how to use the concepts in training design and delivery.
