

Good coup gone bad: Thailand's political developments since Thaksin's downfall

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20442138&lokasi=lokal>

Abstrak

The expert authors in this book have chosen to study the social forces and mass mobilizations unleashed by economic change against the backdrop of a familiar political system that has been dysfunctional since the 2006 coup.

It is striking that electoral politics has faded from view in this collection of essays. Political leadership also receives little attention, another sign of how the political system was damaged by the events of 2006.
