

The population of Malaysia

Saw, Swee-Hock, 1931-, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20442343&lokasi=lokal>

Abstrak

Provides by far the most up-to-date and comprehensive study of the multiracial population of Malaysia. A project of Malaysia Study Programme of ISEAS, this study uses statistics collected in the four pan-Malaysia Population Censuses held in 1970, 1980, 1991, and 2000, and data from other sources up to 2005 wherever possible.
