

Practical nitriding and ferritic nitrocarburizing

Pye, David, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20442564&lokasi=lokal>

Abstrak

Text is intended to assist practitioners in the day-to-day process of nitriding and ferritic nitrocarburizing. Addresses important questions, such as what furnace should be used, how should the process be controlled, how should the steel be prepared, and how should the steel be handled after nitriding? DLC: Nitriding.
