

Help, I'm knee-deep in clutter!: conquer the chaos and get organized once and for all

Anderson, Joyce I., author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20443500&lokasi=lokal>

Abstrak

In the bedroom, it's clothes. In the laundry room, it's cleaning supplies. And in the basement, it's old cartons filled with who knows what! Virtually everyone has trouble getting organized, and whether it's a matter of devising a system for all the dishes in the kitchen, or all the papers in the study, the task can often seem overwhelming. This sanity-saving book provides simple solutions for getting things under control immediately and permanently, and proves that getting organized doesn't have to be hard...if you have a plan of attack.
