

Studi kasus : tata kelola dan kontrol di Queensland Nickel = Case study : governance and control of Queensland Nickel

Kevin Pratama Jeffrey, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20447002&lokasi=lokal>

Abstrak

Di proyek ini, kita harus menganalisa tata kelola dari Queensland Nickel, perusahaan Australian yang terletak di Townville, Queensland. Laporan ini akan fokus di kewajiban masing-masing direktur, struktur bisnis, and partanggung jawaban sosial. Kedepannya, kita dapat mengambil pembelajaran cara untuk membangun tata kola perusahaan yang bagus.

.....In this project, we need to analyse the governance of Queensland Nickel, an Australian company which is located in Townville, Queensland. This report will focus on the duties of each director, the business structure, and the social responsibility. Further, we can take a learning from here how to build a good corporate governance.
