Abstrak

ABSTRAK

Sangat penting bagi sebuah perusahaan untuk membuat Laporan keuangannya sesuai dengan standar akuntansi yang berlaku. Hal ini disebabkan untuk menghindari kesalahan bagi pembaca seperti investor, kreditor, suppliers, karyawan, dan pegang saham. Makalah ini akan menganalisa dan membahas Standard Akutansi Australia khususnya mengacu pada goodwill yang timbul dari akuisisi. Pembahasan akan mengacu pada persamaan dan perbedaan berdasarkan empat perusahaan Australia, diantaranya Macquarie Bank Limited, Computershare Limited, Slater & Gordon, and Steadfast Group

ABSTRACT

It is very crucial for a corporate reporting entities to produce financial statements in accordance with Accounting Standards. This is due to avoid misleading to financial statements users such as such as investors, creditors, suppliers, employees, and shareholders. This paper will analyze and discuss Australian Accounting Standards particularly referring to goodwill arising on acquisition. Moreover, I will evaluate the similarities and differences based on the most recent financial statements of four companies which are Macquarie Bank Limited, Computershare Limited, Slater & Gordon, and Steadfast Group.
