ABSTRACT

This invaluable book provides a reflective analysis on European civilization through a Chinese cultural perspective, along with the author's diplomatic experiences in Brussels on the Chinese Mission to the European Union. The book has three main focuses: maritime civilization, human civilization, and the relations between Chinese (East) and European (West) civilization. It aims to stimulate discussion to rethink the East-West relations in terms of globalization and its contributions to a new post-maritime human civilization. Hai Shang (海殇) means elegy of the sea. He Shang (河殇) means elegy of the river.
