

Epidemiology kept simple : an introduction to traditional and modern epidemiology

Gerstman, B. Burt, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20448528&lokasi=lokal>

Abstrak

Summary:

Epidemiology Kept Simple introduces the epidemiological principles and methods that are increasingly important in the practice of medicine and public health. With minimum use of technical language it fully explains terminology, concepts, and techniques associated with traditional and modern epidemiology
