

Learning from comparative public policy : a practical guide

Rose, Richard, 1933-, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20448833&lokasi=lokal>

Abstrak

"Instead of concentrating on why countries differ, Learning from Comparative Public Policy explores how countries can learn from each other about the success and failure of policy initiatives. With its theory and practice focus, the lively narrative analyses the cultural and resources problems involved in importing policies, and the roles of institutions, regulators, think tanks and experts. In addition to explaining the key tenets of policy analysis, the internationally renowned author offers a wide variety of international case studies and useful boxes to highlight examples. Invaluable reading for students of public policy, for policymakers and practitioners working in the public sector."--BOOK JACKET.
