

Let's go! Russian for adults: a course for beginners

Chernyshov, S.I., author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20448997&lokasi=lokal>

Abstrak

"Let's go" offers an easy progression into Russian and concentrates on everyday language. The first book in the series is designed for students at the basic level, provides a good introduction to the language, and prepares for typical situations which are encountered in a Russian-speaking environment
