

Improving healthcare team communication : building on lessons from aviation and aerospace

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20449370&lokasi=lokal>

Abstrak

Summary:

Communications research in aviation is regarded by many in the healthcare community as the 'gold standard' to emulate. This work helps students, clinicians and healthcare managers find answers to the questions they face daily such as: How can healthcare information be better shared? What can we expect from its improvement, and how do we get there?
