

Testing people at work : competencies in psychometric testing

Smith, J. Mike, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20450012&lokasi=lokal>

Abstrak

"Testing People at Work is an authoritative, practical text on selection and assessment. It explains psychometric testing in occupational settings and also covers other methods of selection such as assessment centres and e-selection. The book systematically covers all the topics required for the BPS Certificates of Competence in Testing, Levels A and B."--BOOK JACKET.
