

Materials selection for corrosion control

Chawla, Sohan L., author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20451693&lokasi=lokal>

Abstrak

Provides a methodology for integrating materials selection with the design process, including simultaneous technical and economic evaluation. Save hours of frustrating research time: Get fast answers about the best material for a particular application.

In the past, researching the endless sources on corrosion and materials in their countless applications were next to impossible. That's why this book was written: to help simplify your materials selection problems. It's an exhaustive source on the different corrosion-resistant materials, types of corrosion, factors affecting corrosion, passivation, corrosion monitoring, corrosion control measures, methodology of materials selection, and more.
