Vanity Fair: A Novel without a Hero is a novel by William Makepeace Thackeray, first published in 1847-48, satirizing society in early 19th-century Britain. The book's title comes from John Bunyan's allegorical story *The Pilgrim's Progress*, first published in 1678 and still widely read at the time of Thackeray's novel. Vanity fair refers to a stop along the pilgrim's progress: a never-ending fair held in a town called Vanity, which is meant to represent man's sinful attachment to worldly things. The novel is now considered a classic, and has inspired several film adaptations
