

A world of cakes

Brachet, Michelle, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20453838&lokasi=lokal>

Abstrak

A World of Cakes looks at the cultural traditions and celebrations of different countries through the eyes of the baker's oven. This book is filled with fascinating cake facts and fables but the dozens of scrumptious recipes really put the icing on the cake! Designed to look just like an enormous chocolate cake, this beautifully boxed book looks good enough to eat.
