**ABSTRAK
**

Tesis ini meneliti proses pembentukan customer loyalty melalui word of mouth dalam referral marketing produk anti penuaan Nu Skin. Kajian teori meliputi referral marketing, word of mouth, customer loyalty dan hal-hal relevan lainnya. Penelitian menggunakan pendekatan kualitatif dengan wawancara mendalam sebagai teknik pengumpulan data. Hasil penelitian adalah bahwa word of mouth input dalam referral marketing diperlukan untuk membangun awareness dan kepercayaan yang mengarah kepada transaksi jual-beli antara distributor dan calon pelanggan pada tahap awal. Pada tahap selanjutnya, word of mouth output dan kepuasan pelanggan sebagai akibat dari pemakaian produk, pelayanan distributor serta kebijakan perusahaan berkontribusi dalam proses pembentukan customer loyalty.Kata kunci: customer loyalty; referral marketing; word of mouth
