## Abstrak

### **<b>ABSTRAK</b><br>**

Penelitian ini memiliki fokus melihat efektivitas strategi reader s theater untuk meningkatkan self-efficacy membaca pada siswa kesulitan belajar. Strategi reader s theater adalah intervensi kelompok yang digunakan untuk meningkatkan kemampuan siswa dalam membaca lancar dan ekspresif. Penerapan reader s theater melibatkan kegiatan latihan pemenggalan frase, intonasi kata, penekanan kata, membaca ulang bacaan, dan memberi contoh modelling . Pada akhir intervensi, kelompok reader s theater membaca naskah dengan lantang di depan kelas tanpa gerakan dan kostum. Penelitian ini menggunakan single subject design dengan pemilihan sampel menggunakan purposive sampling. Hasil penelitian menunjukkan penerapan strategi efektif meningkatkan kelancaran siswa dalam membaca dan meningkatkan self-efficacy siswa dengan kesulitan belajar.

### **<b>ABSTRACT</b><br>**

This study aims to understand the effectiveness of theater s reader strategy to improve reading self efficacy in students s learning difficulties. Reader s theater strategy is a group based intervention used to improve students s ability in reading fluency and expressiveness. The applications of reader s theater involve exercising phrase breaking, word intonation, emphasizing on wording, repeated reading, and giving examples modelling . At the end of the intervention, students were reading scripts loudly in front of the class without making any movement and wearing specific costume. This study uses single subject design with sample selection using purposive sampling. The results showed that the intervention has effectively improves not only students s fluency in reading and but also improves self efficacy of students with learning difficulties.
