Abstrak

ABSTRAK

Pelaksanaan Praktek Kerja Profesi Apoteker di Puskesmas Kecamatan Tambora Jakarta Barat bertujuan untuk memahami peranan, tugas, dan tanggung jawab apoteker di Puskesmas serta memiliki gambaran nyata tentang permasalahan kefarmasian yang terjadi di Puskesmas. Selain itu melalui tugas khusus, mahasiswa dapat mengetahui salah satu tugas dan fungsi bagian farmasi di Puskesmas, yaitu Evaluasi Penggunaan Obat. Praktik Kerja Profesi dilakukan selama empat minggu pada bulan Maret 2017

ABSTRACT

The implementation of the Pharmacist Profession Practice at the Tambora Sub district Health Center in West Jakarta aims to understand the role, duties and responsibilities of the pharmacist in Puskesmas as well as to have a real picture of the pharmaceutical problems occurring at the Puskesmas. In addition through special tasks, students can know one of the duties and functions of the pharmacy department at the Puskesmas, the Evaluation of Drug Use. The Profession Practice is conducted for four weeks on March 2017.
